## **SHOPPING OF ALL SHAPES, SIZES, PRICES AND FARMS**

**Louisville, Ky. (January 26, 2010)** – For National Farm Machinery Show (NFMS) attendees who haven't quite budgeted for a tractor or a combine, the Family Living Center (FLC) provides the chance to take home items a little easier on the wallet. NFMS visitors can stroll through more than 80 booths at the FLC, located in the East Hall of the facility.

From accessories for the home to clothing and jewelry, the FLC has something to meet all shopping needs. Among the exhibits, shoppers will find various glass figurines at **Ely Blown Glass** and John Deere toys and merchandise at **Henry County Supply, Inc.** Other products include plush farm animals from **Granny's Attic**, as well as handcrafted gifts and collectibles at **Breezy Ridge Antiques and Crafts** and telescoping flagpoles and flags at **Uncommon USA**.

There are also some items in the FLC that attendees might not expect to see. Shoppers can add some fragrant aromas of cheese and sausage to their homes and please their taste buds at **Wisconsin Cheese & Sausage Company**, or appear as if they frequent the beach with a stop by **Safeway Tanning**.

The FLC is set aside from the main NFMS exhibit area so that visitors can casually shop for special gifts and souvenirs for friends, farm toys and collectibles for the kids, and unique accessories and gadgets for around the house. It's open daily from 9:00 a.m. to 6:00 p.m., Feb. 10-13, as part of the NFMS.

###

The National Farm Machinery Show, the nation's largest indoor farm show, features the agricultural industry's most comprehensive display of equipment, services and technology. Held annually at the Kentucky Exposition Center in Louisville, Kentucky, the show attracts 300,000 attendees from the United States and around the world. The Championship Tractor Pull, the country's oldest indoor tractor pull, accompanies the show to provide an added element of entertainment and competition. The National Farm Machinery Show occupies over 1.2 million square feet of contiguous exhibit space, contributes \$21.5 million in economic impact to the Commonwealth each year, and is owned and produced by the Kentucky State Fair Board.
