###

The National Farm Machinery Show, the nation's largest indoor farm show, features the agricultural industry's most comprehensive display of equipment, services and technology. Held annually at the Kentucky Exposition Center in Louisville, Kentucky, the show attracts 300,000 attendees from the United States and around the world. The Championship Tractor Pull, the country's oldest indoor tractor pull, accompanies the show to provide an added element of entertainment and competition. The National Farm Machinery Show occupies over 1.2 million square feet of contiguous exhibit space, contributes \$21.5 million in economic impact to the Commonwealth each year, and is owned and produced by the Kentucky State Fair Board.
