###

The [National Farm Machinery Show](http://www.farmmachineryshow.org) (NFMS) is the nation's largest indoor farm show and features the agricultural industry's most comprehensive display of equipment, services and technology. Held annually at the Kentucky Exposition Center in Louisville, it attracts 300,000 attendees from the U.S. and around the world. The country's oldest indoor tractor pull, the Championship Tractor Pull, accompanies the show and provides an added element of entertainment and competition. NFMS contributes \$17 million in economic impact to the Commonwealth each year, and is owned and produced by Kentucky Venues.

Conveniently located adjacent to the Louisville International Airport and near the junction of three major interstates, the Kentucky Exposition Center is easily accessible and just seven minutes south of downtown Louisville. Entrances to the facility are located off Phillips Lane, Crittenden Drive and Preston Highway. Parking is \$8 per vehicle.
